Design-led furniture for unforgettable events

About Us

Palm Event Hire is a design-led event furniture hire company creating considered, memorable spaces for weddings, corporate events and large-scale productions across South Africa.

Our collection is curated with a strong focus on form, texture, colour and versatility, from statement lounge furniture and bars to dining, cocktail pieces, structures and finishing details.
But Palm is about more than furniture.

We work closely with planners, designers and clients to help shape the overall look and feel of an event, considering how every piece works within the space, how guests move through it, and how the full setting comes together.

A large part of our collection is designed and developed in-house, giving Palm a distinctive aesthetic and an ever-evolving range of pieces you won't find everywhere else. We are constantly creating, sourcing and refining our collection to keep it fresh, relevant and ahead of the curve.

From intimate celebrations to large-scale events, our approach remains the same: thoughtful design, beautiful furniture, exceptional execution and a team that genuinely cares about bringing the vision to life.
